Covenant House New Jersey offers food and shelter to all homeless youth who walk through our doors, treating each one with absolute respect and unconditional love. Our program provides the structure they need to get off the street and on to a bright future. Long-term transitional living, behavior health care, education, job readiness training, resiliency building, health and wellness care are among the many programs that help our young people journey from homelessness to positive living environments. We serve homeless youth in 7 cities across New Jersey.
